This supports the notion that microenvironment at early stages of embryonic development can be quite important for the establishment of epigenetic marks. My sometimes socially anxious child felt instantly at ease and loved every minute of the primal kids class. In preparation for the onslaught of Dragon year babies, the Hong Kong government has raised obstetric fees at public hospitals for women from the mainland and also capped the number of deliveries by mothers who are not residents of Hong Kong at 3, in public hospitals and 31, in private hospitals. I would rather take the risk than sit and crib in my cubicle.
