## Generation 50plus

Growing up surrounded by living, breathing roots music, April Verch thought every little girl learned to stepdance at the age of three and fiddle at the age of six. For two of these three issues-trade and China-trends in public opinion clearly support the thesis of increased threat between and 32For immigration, however, multiple sources instead suggest increasingly supportive attitudes among Republicans and Democrats alike Likewise, to the extent that immigration is perceived as threatening by Americans, scholars find that it is due to the increased economic burden Americans believe immigrants place on the social welfare system rather than a threat to white status How plausible is status threat-whether from a sense of declining racial or global status-as an explanation for changes in voting behavior in .
