Music by Arkdae and Hylgaryss, Lyrics by Hylgaryss
The ground has slipped under my steps I am now walking in darkness
This night the bells tolled I shall cry for eternity
It is that place called Heaven That leaves me alone in the dark
It is that God who cursed me That fills me with despair
The monks of dark stones Have doomed me for a crime
But I could go through hell To see you again, Marie, in the sky
Why should I wander through darkness
When I am a white angel I wish I were still a human being
And not that doomed angel.
